In the Matter of:

Notice of Proposed Rulemaking,)
Regarding the Universal Service Support Mechanism) WC Docket No. 02-60
For Rural Healthcare)

Ms. Oliver:

This filing is to correct deficiencies in my filing of June 19.

I submit for your consideration 3 documents that highlight some immediate opportunities for health care services using telecommunications:

- Getting to Value: Eleven Chronic Disease Technologies to Watch by the New England Healthcare Institute
- Memo from Avalere Health on estimated "scorable" savings from Medicaid networks for high-risk pregnancies and premature births on an ATA proposal
- 15 diverse applications using payment innovations for the Center for Medicare and Medicaid Innovation prepared by ATA

Sincerely,
Gary Capistrant
